Claims Avoidance, Mitigation and Resolution

For thirty years the construction lawyers at Shapiro, Lifschitz & Schram have successfully advised construction industry clients – owners, construction managers, EPC and general contractors, subcontractors, design professionals and sureties – on claims avoidance, mitigation and resolution. Thanks to the experience, advice and techniques of the SLS lawyers many a client has succeeded in resolving construction claims without the cost, hassle and risk of litigation or arbitration.

As part of Shapiro, Lifschitz & Schram's highly acclaimed **Must-Know Seminar** series, the SLS construction lawyers will present to you the information, techniques, and strategies which you need to know to avoid or mitigate costly claims without litigation.

Here are just a few of the important topics that will be covered:

- **Identifying and Understanding “Remedy Granting” Clauses**
- **Identifying and Understanding Notice Provisions**
- **Preparing a Claim**
- **Analyzing and Defending Against a Claim**
- **Assessing the True Value of a Claim**
- **Negotiating and Resolving Claims**
- **Mediation and Alternative Disputes Options and Techniques**

A 90 minute, highly informative and enjoyable seminar, developed and presented by experienced SLS lawyers.

- **Insightful practical advice**
- **Real world examples and experience**
- **Tried and tested techniques**

Must-Know Seminars are developed and presented by the attorneys of *Shapiro, Lifschitz & Schram* on topics critical to the business community.
